

Highland United Methodist Church is a purpose driven church who puts their trust in Jesus Christ. We seek Him daily and strive to be more like Him everyday.

Join us every Sunday  
as we Celebrate and  
Worship our God!

Sing Hymns at 8:30 AM and  
Contemporary Music at 10 & 11:30 AM

Dress however you're comfortable dressing. We welcome everyone.

Let us know if you have any special needs and we will do our best to accommodate them.

Visit our Information Station, open before and after each service, for answers to your questions.

Personal prayer is available during the closing music of each worship service.

We use a variety of elements in our worship services. Text from God's Word, the Bible, is delivered in a life changing way enhanced by drama, special music, and multimedia presentations. Many

have said, "I thought he (the Pastor) was speaking to me personally."

## Children's Ministry

Every Sunday 9:30 am – 12:30 pm

In Kid's Super Church children are given the opportunity to experience age-appropriate worship through drama, puppetry, games and activities, music and praise singing, Bible

stories, and object lessons that interpret the life application of Bible truths.

Pre-school and nursery care rooms are also structured for an age-appropriate, Christ-centered experience. The entire morning is staffed with and led by trained and caring individuals.
